

## EFR Instructor Courses

The Emergency First Response Instructor Courses provide the training necessary to teach the Emergency First Response Primary Care (CPR), Secondary Care (First Aid) and Care for Children Courses. The course builds on the candidate's skills as primary and secondary care providers and focuses on developing their instructional abilities. Through independent study, classroom sessions and practice teaching assignments, instructor candidates learn to conduct the Emergency First Response program.

### Emergency First Response Instructor

This course teaches candidates how to conduct the EFR Primary, Secondary Care and Care for Children courses.

The course takes place at our state of the art dive centre and focuses on teaching CPR, first aid and choking with an introduction to oxygen provision and automated external de-fibrillation for adult, child and infant patients.

This course develops role model CPR and first aid skills and teaching abilities whilst looking at successfully promoting and marketing of the courses.

The course is run over **one day** and costs **£299**. This course is a prerequisite for

To enroll on this course candidates must be 18 years or older and have completed the EFR Primary Care & Secondary Care (or equivalent qualifications) within the past 24 months.

Materials are included but not the application fee.

## Care for Children Instructor Course

This course teaches EFR Primary & Secondary Care Instructors how to conduct the EFR Care for Children course.

We cover in details the primary care aspect looking at CPR for both Children and infants and how to recognize dangerous situations. In the secondary care we look at illness assessment, injury assessment and how to administer bandages and splints. As well as developing role model skills the course expands upon candidates teaching abilities and looks at successful promotion and marketing of the courses. Automated external defibrillators are also covered.

The course is run over **one day** and costs **£230**

To enroll on this course candidates must completed a EFR Primary Care & Secondary Care (or equivalent qualifications) within the past 24 months.

Manuals are included but not the application fee.
