

## Learn to Dive

### **Discover Scuba**

Experience the delights of breathing underwater for the first time in our custom built, heated dive training pool with one of our professional scuba instructors or divemasters. This experience is ideal for those people wishing to try the wonders of scuba before committing to a full course.

The cost is £25

### **PADI Open Water Course**

The internationally recognized PADI Open Water Diver course is the most popular scuba course in the world. It is a qualification for life and will qualify you and a buddy to dive independently of supervision in conditions similar to or better than those you were trained in.

The course consists two distinctive parts

1. Knowledge development or theory and Pool sessions (known as the Referral)
2. Open water dives (known as the Completion).

### **Open Water Referral**

The popular option for people who want to learn to dive but do not wish to spend valuable holiday time in the classroom and pool.

All of the academic and pool training is carried out at our custom built diver training facility in London. This leaves you free to complete the four dives necessary for qualification at any PADI centre worldwide.

To enrol in an open water course you need to be over 10 years of age, be comfortable in the water and fill in a medical statement.

We offer two options on course structure.

### **Weekend Referral Course**

This is a two day course which runs from 9am to 6pm on Saturday and Sunday.

You will receive the Open Water Diver manual which you will work your way through before attending the academic and pool sessions at our custom built dive centre.

Cost is £249 and includes the manual, dive tables, adventure logbook and the use of all equipment.

### **Express Referral Course**

This is a one day course which runs from 8am to 6pm Monday to Thursday. You will receive either the Open Water Diver manual and video/DVD or the Open Water Diver CD-ROM (additional cost for CD ROM). You will work your way through the materials before attending your training day. Cost is £275 and includes, dive tables, adventure logbook, the use of all equipment and either the manual and video/DVD.

## **Completing the Course**

### **Open Water Completion Dives**

To finish the Open Water Diver course you need to complete four dives where you will perform some of the skills that you have mastered in the pool. You will do this whilst enjoying the thrill of diving in an open water environment.

### **Local Completion**

This is run over a weekend at a local lake.

Cost is £169 and includes equipment\*, one air fill and certification.

Not included are transport to the dive site, entrance fee (£8.00 per day\*\*) and subsequent air fills (£3.00\*\*).

**If you book the full Open Water Course with us including a local completion then the discounted cost for the course is £399.**

### **Holiday Completion**

Complete the course on one of our holidays.

We will complete the course for free if you have done the referral with us at London School of Diving.

The four qualifying dives would be part of the 5 day dive pack that would be included in the cost of one of our standard landbased holidays. Holiday prices vary depending on destination.

Check the website for details of our organized trips.

\* At Open Water Level we will provide all equipment except for wetsuit boots and gloves which we cannot supply for hygiene reasons. We do strongly advise that for comfort and hygiene you buy your own mask, fins and snorkel.

\*\* Entrance fees and air fills at dive sites are subject to price change.
